Here are a few tools and resources on myWellmark:

CLAIMS

Claims: Check and track your claims with a status tracker and cost details.

Year-to-Date Spend: Run a report showing your out-of-pocket health care spending for the current or previous calendar year.

Categorize claims: Filter by family member, date, status, provider, and type.

COVERAGE

Personalized coverage information: See copays, deductibles, out-of-pocket maximums, plan details and track how much you've spent.

My Flex Spending Account: View your current balance and learn how to optimize your pre-tax savings with easy-to-use, time-saving tools.

FIND CARE

Using your specific health plan benefits, this tool helps you make informed decisions:

- Estimate cost of care for procedures and services.
- Search for an in-network health care provider.
- View patient reviews to help you choose a quality physician.

WELL-BEING

Wellness Assessment: Evaluate your current health status and take action to improve your health, powered by WebMD®.

Trackers: Whether your goal is to lower your blood pressure or keep a regular exercise schedule, trackers are an easy way to monitor your progress.

Search: Find information on health and medical news from A to Z.
